

**MELANIE ONNEN**  
**SUSTAINABILITY COORDINATOR**  
LEED® AP BD+C

Melanie has a background in environmental studies and planning. Her strong beliefs in environmental sustainability led her to pursue an education in energy management and design. Melanie is responsible for sustainability coordination supporting the greater team. With her understanding of building envelope and detailed approach to her work she has become an integral part of our energy simulation team. Melanie's continued interest in building science and architecture pushes her to continue growing her knowledge base.

## EXPERIENCE

### **TLCD Architecture**

Architectural Intern - Santa Rosa, CA (2014)

### **Sonoma State University**

Teaching Assistant - Sonoma, CA (2013)

## LICENSES • CREDENTIALS

### **LEED® Accredited Professional (AP)**

Building Design & Construction (BD+C)

## HONORS • AWARDS

### **Sonoma State University**

Alpha Pi Delta Honor Society

Sigma Alpha Lambda Honor Society

Deans List

## EDUCATION

### **Sonoma State University**

Bachelor of Science (B.S.) Environmental Studies and Planning (2014)

Concentration in Energy Management and Design

Cum Laude

### **Independent Coursework**

Passive Solar Design (ENSP 437)

Electrical Energy Management (ENSP 338)

Thermal Energy Management (ENSP 337)

Energy, Technology and Society (ENSP 330)
