

TIA TROXEL
SUSTAINABILITY ANALYST

As a recent graduate in Environmental Management and Protection, Tia brings a fresh perspective to the Green Dinosaur team. Her undergraduate studies and internship work have provided her with a broad spectrum base understanding of sustainable practices. Tia currently supports our LEED® for Homes Provider organization, and contributes to project LEED® certifications. She is also expanding her abilities with energy modeling and energy use analysis. She hopes to contribute to a society that provides for the needs of today without compromising the needs of the future; sequentially making the world a better place.
