

## CHRISTINA HUANG IIDA

### ASSOCIATE PRINCIPAL

LEED®+WELL AP, FITWELL AMBASSADOR, NCIDQ

Christina brings a diverse background in interior design, psychology and workplace strategy. As a licensed interior designer with over 12 years of commercial interior practice on national and international projects, Christina is a creative strategist who excels at optimizing project and people she works with.

She is passionate about health and wellness. You will find her tending her edible garden, and experimenting with new recipes from around the world in her free time.
